

city i kidz

June 30, 2022

We still got it! Turns out, running our in-person programming is a lot like riding a bike. Sure, we were a little nervous to get back at it after a two-year hiatus, but thanks to the consistent support of this community, we found our balance and the spring program season took off without a hitch.

Here's what that looked like:

CityKidz Saturdays

One of my personal highlights from this season was when a cast member shared a personal story about overcoming self doubt. She then told the audience to encourage their neighbour towards their dreams. Seeing a theatre full of kids tell each other 'you can do it' isn't something I'll soon forget.

CityYouth Graduation

It was a pretty full house as we wrapped up another season of CityYouth with a giant games night featuring bubblegum, charades and some throwing of wet socks. To cap off the night, we got to celebrate the amazing youth who were graduating from the program.

Camp CityKidz

This summer, we're trying something new! Over four weeks in July and August, we'll be welcoming 200 of our awesome kids to a fun-filled two day summer camp experience right here at CityKidz! They'll get to learn and create, play and celebrate and hopefully have a Summer to Remember for years to come.

We are very excited for all the fun and adventure that lies ahead this summer. Click the button below to learn more Camp CityKidz!

Thank you for your commitment and belief in our mission. Your consistent monthly support gave us the opportunity to reconnect - *in person* - with children and youth and made our spring season one for the books! As we turn our focus to Camp CityKidz, we're looking forward to making new memories all summer long! I can't wait to share some of our summer camp fun with you next month!

Sincerely,

Lisa
