Dear Tintern Church of Christ,

Village of Hope Niagara extends our heartfelt thanks to you for your sponsorship of our neighbours in need this **Season of Hope**. Your support of **Village of Hope Niagara** helps so much, positively impacting families, seniors, and individuals, providing Hope in our community.

Together, we're bringing our neighbours in need into the family of our community, reducing their anxiety with empathy and assistance through the work we do – strengthening our community during difficult of times. Thank you so much. **It takes a Village...**

The demand on our services has been significant this year, more than ever. We are confident that together all needs will be met. **Village of Hope Niagara** has no deadlines and will remain open until December 24th, and will also be attending our 24hr emergency number to ensure no one goes hungry in Lincoln.

Village of Hope Niagara, with our team of more than 80 local volunteers, provides access to our food bank, and more than 30 positive, preventative, and proactive programs of assistance – benefiting more than 2000 people monthly, throughout the year.

Since 2008, **Village of Hope Niagara** has been working in our community to alleviate food insecurity, lending a hand up to our neighbours in need. We are community-supported, volunteer-centred, proudly local, and a nationally recognized organization with Charitable Registration Number 835825399RR0001 Receipts are issued for tax-deductible donations.

*We invite you to follow us on social media, and share the news of our work in the community, with your friends and neighbours, at **villageofhopeniagara.org***
