CityKidz Newsletter February 2023

Dear Tintern Church of Christ,

Even though it's the shortest month of the year, this February seems to have flown by extra fast as the CityKidz team has been busy preparing for a fantastic spring program season for our children and youth!

In March, we'll be kicking off a full season of our CityKidz Saturday program, as well as our Wednesday evening CityYouth mentorship program. While you may already know all about our youth program, I'd like to take this chance to share a little bit about the program as well as a story of hope that is sure to brighten your day.

## CityYouth

*faith, leadership & lifestyle*

CityYouth builds on the relationships forged in CityKidz to demonstrate our continued love and support for kids as they enter their teenage years.

With a focus on developing and practicing leadership skills, this Wednesday evening program encourages its participants to serve their communities. At CityYouth, teens explore topics like identity, wisdom, faith and relationships.

Mentors connect with youth in small groups to work through their challenges and celebrate their achievements. This guidance and support helps youth grow into caring, resilient and mature young adults.

## Story of Hope: Randy

“He’s one of Susan’s success stories,” says Amanda.

For what had felt like a long while Randy was struggling.

“He didn’t want to do any kind of work, be part of any kind of club. He was aggressive. He was a loner and wanted to be by himself.”

Thank you for helping us start 2023 with big plans and even bigger dreams! Your support will help deliver a full year of faith, hope and love, to our kids - including 24 CityYouth sessions for amazing teens like Randy!

I look forward to telling you all about the start of our program season in next month's update.

Sincerely,  
Lisa
