

CityKidz Newsletter Winter 2023

Dear Tintern Church of Christ,

After two Christmases of last-minute adaptations and innovations, it was a wonderful thing this past December to finally find ourselves in familiar festive territory. For the first time since 2019, we were able to invite the community back into our facilities to help with our Gift of Christmas project.

Thanks to the support of the CityKidz community - especially dependable donors like you! - we were able to give all of our CityKidz children and their siblings a personalized gift this Christmas. We also had the distinct pleasure of watching our teens share a piece of themselves at our CityYouth Talent Show! And to top it all off, we got to sing, dance and celebrate the season with our kids with two Christmas parties!

I hope you will enjoy reading about these joyful moments and other heartwarming stories of your generosity's impact in our Winter Newsletter.

Sincerely,
Lisa
