

MICAH COMMUNITY

April 3 Groundbreaking is a HUGE Success!

Last week we gathered with so many of our friends, supporters, neighbors and co-conspirators to celebrate the close-of-financing and groundbreaking at our Webster Community Center project.

We expected the weather to dampen turnout. It was drizzly, overcast and 40 degrees but we had close to 200 people show up to celebrate the beginning of the construction phase of this project.

From here, our construction is projected to take 14 months with another two months of inspections and permitting, so we expect to be in the building by late summer 2025.

Be on the lookout in coming months for updates and calls to action and, of course, different ways you can support. While we might have raised all the funds to renovate, we will continue to fundraise for operating expenses and for several elements we had to cut out in order to get across the finish line.

We are incredibly grateful for everyone who helped to make this a reality. I encourage anyone who is interested to follow the link below to see all the thank you's and acknowledgements that are difficult to do here, but are incredibly important.

Garden of Cocktails Fundraiser - April 26!

For our friends in Southeast Michigan, or those looking for an excuse to come visit (we have spare bedrooms!) our eighth annual Garden Of Cocktails fundraiser is coming up!

Each year, four drink mixers create a signature craft cocktail in hopes of winning the crowd favorite vote. Winners receive a trophy and title of city's best mixer!

This is a great way to get out, have fun, learn about a couple new restaurants, support local businesses and support a great cause.

Early bird ticket prices end on at midnight on Monday!
