May Is Food For All Month at Village of Hope Niagara

May is Food For All Month at Village of Hope Niagara. *More than ever, we need your help.* Our food bank plays a crucial role in our community, providing essential support to those in need. **Every month, we distribute over 8500kg of food, impacting over 1800 individuals** who rely on our services to put food on their tables, **including 375 children** who rely on our snack program each month.

The need for our services has never been greater. Shockingly, **1 in 6 individuals in our community are food insecure**, facing uncertainty about where their next meal will come from. **Since 2020, we have seen a staggering 150% increase** in the demand for our services, highlighting the growing urgency of the situation.

Your support is vital in ensuring that we can continue to meet this increasing demand and provide assistance to those who need it most. Your financial donation will directly impact the lives of individuals and families struggling with food insecurity, offering them hope and sustenance during challenging times, helping to put food on our shelves.

Please consider making a donation today to help us continue our mission of fighting hunger in our community. ***Together, we can make a difference and ensure that no one goes to bed hungry.***

Thank you for your generosity and support.

Please give, if you are able... [Donate](#)
