

Our Deepest Gratitude for Your Support

THANK YOU!

Dear Friends,

We are writing to you today with hearts full of gratitude. As Brian's foster parents, this journey has been deeply personal for us and our family. Your response to our call for help has touched us more than words can express.

Since the day we arrived at the Haven Child Care Homes, Brian has brought immeasurable joy and love into our lives. Watching him grow from a sweet, bright-eyed 9-year-old into the determined, kind-hearted 20 year old young man he is today has been a great blessing.

When we learned of Brian's diagnosis with an Arteriovenous Malformation (AVM) earlier this year, our world was shaken to its core. The fear of losing him or seeing his dreams slip away has been a heavy burden for our family to bear. Through it all, we have been strengthened by the outpouring of love, prayers, and support from friends like you.

Today, we are overjoyed to share that, thanks to your incredible generosity, we have reached our fundraising goal of \$60,000. Brian will now be able to undergo the Liquid Embolization procedure that gives him a real chance at a healthy future. We are overwhelmed with gratitude for each and every one of you who contributed, shared Brian's story, and held him in your thoughts and prayers.

Jason and I will be traveling with Brian to South Africa for his surgery which is currently scheduled for October 30. We humbly ask that you continue to pray with us for a safe and successful trip and procedure. Your support and faith mean the world to us as we prepare for this important journey.

Your kindness has given us hope during a dark time of our lives. You have made it possible for Brian to look forward to a future where he can pursue his dreams, attend university, and continue to fill our home with his infectious laughter.

From the bottom of our hearts, thank you for standing with us, for believing in Brian, and for helping us take this crucial step toward his healing. We will never forget the impact you have made on our lives. We will continue to keep you updated on the progress of his journey.

With deepest gratitude,

Cintia & Jason Kumalo
