

Habitat and Centennial partnership

A partnership striving to make our community a better place! Habitat for Humanity Niagara could not exist without the generous support of an ever-growing list of groups, businesses and individuals.

[Watch the video](#) to hear about this unique partnership in an interview by Anthony at YourTV Niagara.

NAC Concrete Design pouring the outside steps for the four townhouses.

Watch how it's done!

The four townhomes have already had AL-PRO Plumbing & Heating rough-in the plumbing and HVAC systems, electrical has been roughed in by Robins Electrical and the concrete has been poured in all basements by NAC Concrete Design.

The work being performed by the subtrades, suppliers and Centennial Homes is Habitat for Humanity Niagara's largest donation to date.

Walker gives back

Employees from Walker were at our St. Catharines and Grimsby ReStores volunteering their time to help with much needed tasks. From painting and fixing insulation, to installing flooring and relining the merchandise – they worked hard and got the job done!

ReStore Volunteer Opportunities!

We are looking for volunteers to help out at our donation centres in the Fonthill and Grimsby ReStores!

As a donation centre specialist, you'll put your skills to use assisting with preparing donated items for resale including product testing, cleaning and repairing.

If you or someone you know is looking for a rewarding volunteer opportunity that supports our community, [join our volunteer crew!](#)

The women are getting it done on the Mitchell Street house in Port Colborne!

Landscaping day was hard day shoveling gravel, planting cedar trees (in the very hard ground), and many teams have been painting, painting, painting!

Teams from Meridian, Niagara Fallsview Casinos, Verge Insurance, and Miller Restoration DKI all enjoyed their teambuilding days, learning new skills while giving back to the community.

Special thanks to the Canalside restaurant, Port Colborne Baptist Church and Port Colborne BIC church for donating lunches to the hungry crews.
