

Hello Tintern!

After three weeks of programs, it gives me great joy to share that our programs are seeing an upward trend in attendance.

CityKidz Saturdays

In the first month alone, we've seen an average of **283** kids attend our Saturday program, up from our spring season's average of **268**. Earlier this year, we hosted a Focus Group with 8 CityKidz participants. Through various activities, we gathered some great feedback and new ideas for menu items, bus ride activities and CityKidz Saturday theme days!

Last weekend, we introduced our first ever Pokemon-themed day, an idea we owe to a brilliant young mind from our Focus Group. This excited Pokemon fan was spotted in the theatre and when asked about seeing his concept come to life, he was quick to remind us, "It was my idea to have a Pokemon day!" We hope to continue gathering ideas from our kids to ensure each CityKidz Saturday is an unforgettable one.

CityYouth Wednesdays

Last Wednesday was our largest gathering of the season. An impressive **97** youth came out, jumping from **90** in the previous week, and **86** the week before that. The increase is a testament to the unwavering support from the CityKidz community. From dedicated volunteer mentors to invaluable supporters like you.

And this season is just getting started! Thank you for being part of our Community of Hope. Your support is changing lives one child at a time.

Sincerely,
Lisa
