 **Women Build video | Meaning of Home is back! | Sleigh the holidays with style**

---

[View this email in your browser.](#)

**Connecting Care Niagara women** took part in a Habitat for Humanity Niagara build in Port Colborne, assisting with framing and painting tasks.

Their contribution of time and funds not only doubled their team's impact but also supported the homebuilding program.

## Watch the video

We're so excited and grateful to over 100 wonderful women, as well as a few dedicated men, who put their heart into building this home!

The anticipation is building as we plan for a heartwarming home dedication ceremony. This event will not only commemorate the completion of the house, but also mark the moment we hand over the keys to Mo and her family!

The **Meaning of Home**  
contest is back!

The **Meaning of Home** contest returns for its 18th year on **January 6th**, calling forth **Grade 4, 5, and 6 students** across Canada to express their understanding of home through a poem or essay. This competition, with over 120,000 participants since 2007, has successfully raised more than \$2.7 million, facilitating the construction of affordable housing for families in need.

Your students' entries could significantly impact your community!

9th Annual

# Christmas

## Decorator's Event

at the *Fonthill ReStore!*

starting **November 4**

**Christmas Trees • Lights  
Ornaments • Holiday Decor  
and much, much more!**

 **ReStore.**  
Habitat for Humanity Niagara

Ready to sleigh the holiday season with style? Swing by the 9th annual Christmas Decorator's Event at the [Fonthill ReStore](#).

Forget the early bird, the early decorator catches the deals! Unearth a treasure trove of new and vintage items in our wintry wonderland - all at prices that would make Santa blush, and without any pesky tax!

But remember, just like the season's first snowfall, these deals won't stick around forever!

## Watch the store walkthrough video

**When LJM Developments found itself with an excess of usable products, the last place they wanted these items to end up was the landfill.**

Upon completing one of their condominium projects, the company had plenty of leftover materials. Instead of contributing to waste, LJM Developments President Liaquat Mian made the decision to contact our ReStores. It's a simple action that not only helps the environment but also supports a good cause.
