# Ready! Set! Let's PLAY!

Did you know that there are over 300,000 children and youth at risk of neglect and abuse?

Many of their families do not have the necessary support, and Safe Families Canada has a solution, extended family-like support to get families back on track!

This summer you can PLAY for Safe Families Canada in our National Fundraiser and help reach hundreds of families across Canada, to keep children safe and families together.

Join our Team, PLAY and help us raise \$200,000 for Safe Families Canada. Learn More by clicking the link below!

With over twenty years of experience serving in various ministry capacities, Jesse has a profound understanding of the importance of supporting families, youth, and children in crisis.

## 2024 SFC Staff Retreat

This past spring, our National Team met at Muskoka Bible Centre for some time away to gather, to equip and to be refreshed for the ministry ahead of us. The best thing about it was that we had the opportunity to all be together in person! We all engaged in a beautiful time of worship, learning and growing together! It is that we will all be together! Read what a couple of our staff had to say:

“The highlight for me was the time spent with those who have the same role as me. It was encouraging to hear and gain wisdom from them. Learning how they are doing things differently or how they are doing things the same. Another highlight was praying with others on that last night. We just got to share some of the challenges that we had been going through and my group ended up talking for over an hour after just connecting. It was encouraging to pray together and be reminded to bring things to God in this way.”

“The time that I could connect with other staff on a professional and personal level. This was very encouraging to me, my faith and my work, and I pray that it was an encouragement to them as well. I love that we are all coworkers, in separate chapters, and yet we do care so deeply how each person is really doing. That feels like a larger family that I know I could rely on or seek out if I needed the additional support or care.”

We are so very grateful for our time together at Muskoka Bible Centre and are looking forward to another season of keeping children safe and families together.
