We're halfway toward our support goal for our children. With more than 400 children of families in need enrolled in our Back To School program this year, the need has never been greater. ***Make an investment in these children today. It's an investment in our community of tomorrow.***

Education is the cornerstone of a bright future, and every child deserves equal access to it.

Our goal for our Back To School 2024/25 of \$50,000 will ensure that donations provide school supplies, home internet access, our year long, Healthy Snack program, and haircuts for their year ahead. More than ever, we need your support.

Our **Back To School** campaign for the children of Lincoln in our families of need is on now. ***Your donations make the difference.*** Too many children in our community face returning to school with needs unmet, without resources in the home, only food insecurity and lacking income – persistent obstacles to their education, and futures.

Let's join hearts and hands and ensure these young minds have the resources they need to succeed. ***Your donation, big or small, will make a tremendous difference.*** By providing educational needs and empathetic support, we can empower these children to pursue knowledge, break free from limitations, and build a brighter future for themselves, and our community.

Together, ***let's give them the opportunity they deserve to thrive academically.***

Funds donations of any amount can be made safely online at our secure site <https://villageofhopeniagara.org/donate> Tax receipts are issued for financial donations.
