

# Thank You-- Santa's Workshop 2024 is a wrap!

27 December 2024

## Another Great Santa's Workshop!

Every year, Micah 6 Community works with great community partners to bring toys to our neighborhood families. We have always prided ourselves in being a low-barrier opportunity for families to get a little help for the holidays. This year was no exception!

Big thanks to everyone who came together to help us share holiday gifts with 960 children from twelve communities! We are grateful for every donation, toy, and minute of time that was shared by so many friends to make this happen.

Thank you to all of our faith partners: [Kirk in the Hills](#), [Rochester Church of Christ](#), [Kensington Church](#), [Shepherd of the Lakes Lutheran Church](#), [Lutheran Church of the Master](#), [Holy Cross Lutheran Church](#), [Calvary Evangelical Lutheran Church](#), [LakePoint Community Church](#), [Sanctuary Church](#), [Christ Church Cranbrook](#), [Emmanuel Lutheran Church - Livonia, MI](#) for their coffee truck, [Clarkston United Methodist Church](#) for the stockings, and more!

Thank you to our team working to build [@Webster Community Center](#) who all took a break from their work to have a lunch and donate toys! [Spence Brothers](#), [CBI Design Professionals](#), [PM Environmental](#), [Johnson & Wood Mechanical Contractors](#), [Dee Cramer, Inc.](#), Davenport Masonry, [DKI Demolition](#), [United Electrical Contractors](#) and more!

## Be thinking of Next Year!

When Santa's Workshop started, it was indoors at Sprout Fresh Food Store and we were doing toys for somewhere around 100 children. In 2020 because of Covid and outgrowing our space, we moved to a drive through model behind the Webster School building and did toys for 800 children.

We are eager for next year where we anticipate that we'll be moving the event back INSIDE at Webster Community Center. This means more space, more time for quality touch points with neighbors, more thoughtful shopping, and the opportunity to wrap presents again.

We want next year's event to be bigger than ever and we'd love your help doing it.
