

## **We are accepting new homeownership applications!**

Interested in becoming a Habitat homeowner? Now's your chance! Habitat for Humanity Niagara partners with local families to build homes and offers affordable mortgages - not free housing.

To qualify, applicants must demonstrate:

- A **need for better housing** (*current housing is unsafe, overcrowded, unaffordable or not suitable for persons with disabilities*)
- The ability to **make affordable mortgage payments**
- A willingness to **partner with Habitat Niagara, including volunteering 500 hours** with Habitat by helping build your home and completing workshops in personal finance, home maintenance and other homeownership topics

Together, we're building a world where everyone has a decent place to live.
