28 December 2025

2025 Santa's Workshop Recap!

Every year, Micah 6 Community works with great community partners to bring toys to our neighborhood families. We have always prided ourselves in being a low-barrier opportunity for families to get a little help for the holidays. This year was no exception!

Big thanks to everyone who came together to help us share holiday gifts with almost children from 14 different communities! We are grateful for every donation, toy, and minute of time that was shared by so many friends to make this happen.

Thank you to all of our faith partners: [Kirk in the Hills](#), [Rochester Church of Christ](#), [Shepherd of the Lakes Lutheran Church](#), [Lutheran Church of the Master](#), [Holy Cross Lutheran Church](#), [Calvary Evangelical Lutheran Church](#), [LakePoint Community Church](#), [Sanctuary Church](#), [Christ Church Cranbrook](#), [Birmingham and Berkley First United Methodist Church](#), [University Presbyterian Church](#), [Emmanuel Lutheran Church - Livonia, MI](#) for their coffee truck and delicious crepe breakfast for families in line. [Clarkston United Methodist Church](#) and [Rochester Christian University](#) as well as [Papas Pizza](#) created our for the stockings this year!

Thanks to [Be SMART for Kids](#) coming out and sharing gun locks!

And huge thanks to sponsors this year-- Genisys Credit Union, Blue Cross Complete of Michigan, Lutheran Church of the Master, Cummins, and more.

Be thinking of Next Year!

When Santa's Workshop started, it was indoors at Sprout Fresh Food Store and we were doing toys for somewhere around 100 children. In 2020 because of Covid and outgrowing our space, we moved to a drive through model behind the Webster School building and did toys for 800 children.

We are eager for Christmas 2026 when we will be back INSIDE at Webster Community Center. This means more space, more time for quality touch points with neighbors, more thoughtful shopping, and the opportunity to wrap presents again.

We want next year's event to be bigger than ever and we'd love your help doing it.
