

Dear Tintern,

This season, we're reminded that hope grows when people keep showing up. As the needs facing many families in our community continue, those steady and consistent relationships matter more than ever.

In our Winter Newsletter, we're sharing stories that **capture the heart of CityKidz and the power of long-term relationships**. You'll meet CJ and Xena, both once CityKidz kids and now giving back as young leaders to the next generation.

Their journeys show what's possible when a child is seen, known, and supported over time. This is full circle impact, and it happens because of faithful supporters like you.

As you read, we hope you'll be encouraged by what your support makes possible and inspired to help CityKidz keep showing up for kids and youth all

year long.

Thank you for being part of the CityKidz story.

With gratitude,

Lisa Kostopoulos
