UNDERSTANDING CULTURE: ENGAGING PEOPLE

Living the Gospel in a Diverse World

Dear Friends:

For many years, you have walked alongside us in the shared calling to know God more deeply and to love and serve Him and people faithfully. As the world around us continues to change, the need to understand culture—and to engage people with wisdom, grace and the gospel—is as important as ever.

Understanding Culture – Engaging People builds on that shared commitment. This 8-week course invites you to reflect thoughtfully on the cultures of our neighbours, both locally and globally, and to consider how understanding culture strengthens relationships, deepens ministry, and supports faithful gospel witness in today's world.

Together, this course will explore:

- The cultures of people in Canada and around the world, past and present
- How cultures are shaped historically and in the 21st century
- **12 key dimensions of cultural formation** that influence beliefs and practices
- The cultures of people in Scripture—and ultimately, the culture of heaven

As you walk and work with God, this course offers space to reflect, engage, and grow alongside others who share a heart for God's mission.
