SPRING 2024 - SHORT COURSE

"LIFE AND TEACHINGS OF JESUS"

Hello, everyone! We are offering an 8-Week Course on the *"Life and Teachings of Jesus"* beginning on March 7, 2024. This course will be a study of significant teachings of Jesus drawn from the gospels and framed against the background of His time and place in history.

LIFE AND TEACHINGS OF JESUS

An 8-Week Course beginning March 7, 2024

Presented by Nathan Brown, Professor

Jesus came to earth to reveal the Father, among other reasons (John 1:14–18). What He did and taught while He was here in a particular historical context revealed the Father's eternal nature and His eternal plan for the world.

Then, God inspired four records of it so that people in other places and eras could benefit from this message (e.g., John 20:31).

In this class, we will examine these four records, the Gospels, and the historical context into which Jesus came to learn what Jesus has revealed about what we should believe, what we should do, and who we should be.
