

# THE HAVEN

## SEPTEMBER NEWSLETTER

Dear Friends,

Thank you for your continued love and support for The Haven through your prayers, encouragement, financial contributions, and material donations.

**Here are our updates for September.**

## New Arrivals

This month alone, we have welcomed three new babies to The Haven. Two of them tragically lost their mothers during childbirth. One baby's mother passed away due to complications during delivery, and the other's mother was mentally confused and lost her life during birth. In both cases, the relatives were unable to care for the infants and asked The Haven to provide temporary care.

The third baby was brought to us by well-wishers who intervened on behalf of the child. The mother, is mentally challenged and under the care of her grandparents. After giving birth, the grandparents refused to raise the baby. Concerned neighbors intervened and brought the baby to The Haven, and they have since visited the child.

## Reunification

One of our programs at The Haven is the Reunification Program. Our goals are not only to care for these precious children, foster relationships between them and their biological families, and get them home as quickly and safely as possible.

Many of our babies have families who are simply unable to care for them during their infancy. Once the children grow older and their families are ready, we facilitate their reunification. This is always a bittersweet moment for us, the aunties, and the children's "siblings" at The Haven. The bonds we form are so strong that even after experiencing these many times, each reunion is unique and deeply emotional. Nevertheless, we understand the importance of family and are delighted to see them reunited with their loved ones. We also strive to keep in contact with the families and the babies once they go home and provide ongoing support when needed.

This month, we were overjoyed to reunite one of our babies with her family. It was a heartwarming and a beautiful experience.

## George

Our George just graduated from Grade 12 last Friday! It feels like just yesterday he arrived at The Haven as a newborn, and now look at him—a true success story. George excelled in his studies, finishing first in his class in Design & Technology and Fine Arts, and was recognized with multiple awards for his outstanding leadership. We couldn't be prouder of the young man he has become. We're so excited to see where this next chapter takes you, George! The sky's the limit!

## Sponsor A Child To Go School

Thank you for demonstrating the love of God through your prayers and support. As we approach the rainy season, we ask for your continued prayers for a bountiful rainfall and an end this dreadful drought.

**God Bless You,**
