

## Hello Tintern,

I hope this message finds you well. As we approach the end of the year, we have two giving opportunities to tell you about that will have a lasting impact on the lives of our students and the future of Great Lakes Bible College: **Giving Tuesday**, which falls on November 28, and our **end-of-year campaign**.

We are dedicated to equipping the local church in Canada and beyond, but we can't do it alone, and that's where your assistance comes in.

## GIVING TUESDAY

This year, we invite you to participate by offering prayers of support for the College, our current and future students, and faculty and staff.

We ask that you would pray for the Lord's blessing on our current work and plans for the future, on the congregations that our students go out to serve, that He would provide wisdom and guidance on decisions made, and that He would lead students to our doors. There are few things more powerful than a community that prays for each other!

If you do wish to provide support in the form of a financial gift, we would appreciate your help your partnership in offsetting costs for our Hybrid Learning Centres initiative.

### **What Do Hybrid Learning Centres Offer?**

The Hybrid Learning Centre Program provides an opportunity for the local church to connect to online classes provided by GLBC. At their discretion, GLBC instructors may also provide teaching from any of the centres. Your donations support the purchase of audio-visual equipment for each learning centre and fund the ongoing insurance for these sites. Currently, we have a fully functional hybrid learning centre at the Strathmore Boulevard Church of Christ in Toronto, ON and others in the works. For more information, please contact Immanuel Velasco ([immanuelvelasco@glbc.com](mailto:immanuelvelasco@glbc.com) / [647-293-4162](tel:647-293-4162)).

## **END-OF-YEAR GIVING**

For those of you who participate in year-end giving, we truly appreciate your continued support. This year, your giving is especially crucial as we have a large operating deficit to consider. Your generosity will help lessen the burden and continue to offer students excellent, high quality Biblical education. There are many ways to contribute. See below for a few examples on how to include Great Lakes Bible College in your end-of-year giving plans.

1) **Planned and Legacy Giving:** Build GLBC into your estate plan. There are a variety of options to ensure your gift is a lasting one with legacy giving. Learn more about these options on our [website](#).

2) **Spread the word:** Help us amplify our message by sharing our campaign on social media, via email, or by word of

mouth. Encourage your friends, family, and colleagues to join our cause.

3) **Monthly Giving:** Why not extend your year-end giving into the new year by choosing a monthly contribution. Monthly gifts allow us to better predict our annual revenue and plan for the future. It's as easy as selecting "Donate Monthly" on our [Canada Helps donation form](#).

Thank you for being an essential part of our mission to transform lives through education. We rejoice in another year of 'growing in the grace and knowledge of our Lord and Savior Jesus Christ' with you. May your spirit of giving help us continue to prepare students for effective spiritual living, Christian service, leadership, and world evangelism.

Grace & peace,
