

Children *SAFE* Families *TOGETHER*

Thank you for the Gift of Family

At Safe Families Canada, we are here for families facing a crisis by providing an extended family every day. Like you, we understand how important relationships are and strive to be a solid support system for parents looking for help. Our goals? To keep families together, ensure that kids are safe, help families find their footing again, and prevent unnecessary transitions into foster care.

It's amazing how much of an impact your generosity has made for our dedicated team and our amazing volunteers which provide consistent and necessary connections to more families. Your giving has touched countless families, making a world of difference in their lives. Your heartfelt prayers, time, energy, and financial support, are bringing the priceless Gift of Family to families in crisis across Canada.

So, from the bottom of our hearts, thank you!

Don't miss the 12 Days of Gift of Family!

We are grateful for each of you journeying with us for the 12 Days of Gift of Family. The Gift of Family is important to us, and we want to share it with you this Christmas season and how more gifts flow from the Gift of Family and work in the lives of our staff, volunteers and families. Extended family-like support does more than keep children safe and families together; it creates a world where families are transformed because they experience radically compassionate communities.

Merry Christmas and Happy New Year from Safe Families Canada.

12 Days of Gift of Family

Staff Christmas Party and Holidays!

During Wednesday's National Team Meeting, we dove into a festive atmosphere on Zoom, complete with Christmas hats, games, and prizes, all adding to the excitement. Amidst the fun, we revisited the profound meaning behind our celebration on Monday - the birth of Jesus and God's presence among us. As the anticipation builds, we are all

eager to spend the upcoming special week with our loved ones, and cherish the Gift of Family.

As we wrap up our initiatives, we must ensure that our volunteers and families receive the necessary support during the holiday season while we gear up for a well-deserved break. Note that our National Office and Chapters will shut down for the holidays, starting December 23 through to January 1, and will resume operations on January 2.

We pray you enjoy your celebration, and we'll see you in the New Year!
