

## This Week Only -- All Online Donations Go To Santa's Workshop!

This Saturday will be Micah 6's (seventh? eighth?) Santa's Workshop Event, sharing toys with neighborhood families. In 2022 we handed out toys to 1,069 children and I am feeling like we are going to have even more. Calls started coming before Thanksgiving from families asking how to get toys. These families are between homes, between jobs, one family just lost their home to fire, several have experienced the recent loss of a family member. We don't require a hard story to participate, but so many families share with us how meaningful this help is to them.

Whatever a family's circumstance when they come, everyone can get two toys per child, a roll of wrapping paper, stockings, hot chocolate, and encouragement. We tell families we don't want their documentation or proof of income. We just want to help them have a better Christmas.

THIS WEEK ONLY any donation that comes in online will be spent on Santa's Workshop to support families for the holidays. Please consider supporting by clicking the button below.
